Licensed program software withdrawal and support discontinuance: IBM Tivoli Information Management for z/OS 7.1.x, IBM NetView Distribution Manager 1.7.x, and IBM Tivoli Event Pump for z/OS 4.2.x

Published: 14 November 2023   AD23-0840   *[923-0840]*   PLAW Software withdrawal

Support and access discontinuance 🔗

Licensed program software 🔗

Effective on the dates shown, IBM® will discontinue support for all currently supported versions and releases of the following programs licensed under the IBM International Program License Agreement:

Program number	Program name	VRM	Discontinuance of support date
5698-A08	[1] IBM Tivoli® Information Management for z/OS®	7.1.x	December 11, 2023
5698-S42	[1] IBM Tivoli Information Management for z/OS S&S	1.1	December 11, 2023
5685-016	IBM NetView Distribution Manager	1.7.x	December 11, 2023
5698-B34	[1] IBM Tivoli Event Pump for z/OS	4.2.x	April 1, 2024
5698-R24	[1] IBM Tivoli Event Pump for z/OS S&S	1.1	April 1, 2024

[1] These programs are also withdrawn from marketing. For the related end-of-marketing information, see the Build-to-order program and feature number withdrawal section.

Downloadable or recorded media will remain available to clients of record until the discontinuance of

support date.

Versions of containerized software will remain in the IBM Entitled Registry until the discontinuance of support date. Clients intending to use a discontinued version of the program should create an air-gapped (offline) or private deployment of the software prior to the discontinuance of support date. Please see your product documentation for details on creating an air-gapped (offline) or private deployment.

Withdrawn parts, features, or programs ✆

Build-to-order release withdrawal ✆

Effective on the dates shown, IBM will withdraw from marketing the following programs licensed under the IBM International Program License Agreement:

Program number	Program name	VRM	Effective date of withdrawal
5698-A08	IBM Tivoli Information Management for z/OS	7.1.x	December 11, 2023

Software maintenance programs

Program number	Program name
5698-S42	IBM Tivoli Information Management for z/OS S&S
5698-R24	IBM Tivoli Event Pump for z/OS S&S

Replacement information 🔗

Build-to-order 🔗

No support extension will be offered.

For further information for the products in this announcement, including a support option, contact Log-On Software, Inc. by accessing the Log-On Software website.

Clients who want to move to the replacement offering from Log-On Software, Inc, should request cancellation of the respective product prior to switching.

Marketing information 🔗

Marketing action required 🔗

If replacements are available for a withdrawn licensed program, part numbers, or feature numbers, IBM representatives must review and update outstanding proposals to propose the replacements or state that the affected programs, part numbers, or feature numbers will be withdrawn from marketing on the effective date.

IBM representatives should advise their IBM Business Partners as necessary.

Clients with a volume commitment (government standing offer) in effect for a withdrawn product should be encouraged to substitute a currently available product that qualifies during the contract period.

Marketing channels ⊘

– IBM Sales Specialists
– IBM authorized Business Partners

Volume discount ⊘

Programs withdrawn in this announcement will be removed from the IBM Volume Offering (IVO) effective on the date of withdrawal.

Configurator information ⊘

With this announcement, the withdrawn programs will be removed from the configurators in which they were included.

Order processing ⊘

Orders received on or after the effective date of withdrawal will not be filled. Client requested arrival dates (CRADs), if any, must be prior to the effective date of withdrawal.

Technical support ∅

Licensed program technical support ∅

Technical support continues to be available until the end of support date. Support extensions are not available.

See the IBM Support website for product support information.

Terms of use ∅

IBM products and services which are announced and available in your country can be ordered under the applicable standard agreements, terms, conditions, and prices in effect at the time.
